

North Beach

There has never been a better time to build a brand-new contemporary residence than right now with these three north-facing lots positioned in one of North Beach's most convenient locations opposite a tract of picturesque bushland reserve.

Just a short stroll away is the local primary school, a myriad of bike/walk trails at Star Swamp Reserve, huge grassy ovals at Charles Riley Reserve, North Beach Shopping Centre, pristine beaches and the fabulous West Coast Drive walking/riding pathway along our stunning coastline which are many of the reasons why this is one of Perth's most renowned liveable beachside suburbs.
